

12. Process To Release Your Higher Seed Memory of Your Knowing You Are The God/Goddess All Their IS

Beloved Malachi, Katherine Bell, Ph.D.D. and "Marrianna"

Can You Please Assist Me In Completing The Fourth Dimensional Stages of Awareness, So I Can Connect With My Sacred Triad, Via The Antahkaran, The Direct Stream of Life And Light From My God-Seed Atom. Then My Memory-Seed Atom, Stored Within My Root Chakra At The Base of My Spine Can Spiral Up Through The Light Rod of Power, Along My Spinal Column, and Then Anchor Within My Pineal Gland. So It Activates Another Memory-Seed Atom of My Higher Consciousness of My New Divine Blueprint For The Coming Age, Within My Pineal Gland?

• Process

Alright Once Again Beautiful One Let Us Have Yourself Move Into The Internal Being of Who You Are.

Malachi, When You Say That I Always Go Down To My Second Chakra Is That Correct?

That Is Correct, That You Are Sitting There Right on The Throne. That You Are In The Blessedness of Your Holiness', The Soul, That is the Individual Component and Yet It Is The Unity With Source. You Are Wanting to Be Completely Aware of The Fourth Dimensional Empowerment Consciousness. So as You Sit There Beautiful One, Feel The Waves of Your Cells In Your Body. Feel That Your Bones Are Not Solid and That the Atoms are In Movement, Feel That Your Muscles Have Nothing to Hold on To, To Keep It Structured, This Is Fourth Dimension.

Now That You Are In the Freedom of Such Energy and Motion Let Your Mind Feel The Seed Atom Within Your Root Chakra And With What You Will Call The Sacredness of Your Spirit. To Release Their Brilliant Lights, The Beauty of The Lights are The Beauty of The Vibrations of What Your World Would Call a Rainbow. Then Release It From The Root Chakra and Feel Those Atoms In Action Moving Right Up Your Spine. Then Feel Them Continue In Their Beautiful Flowing Motion To Enter The Pineal Gland In The Center of The Brain. Allow That Purity of The Lights To Activate Atoms of The Pineal Gland, Releasing That Higher Seed Memory. Once Again It is Knowing You Are One, With The All God/Goddess All There Is. And Your Whole Body is Radiating In Movement, It Is Not Solid.

Now You Must Live In What Is Called Human Reality And Realize as You Are Doing This, You Are Releasing This Memory and It Will Surface At The Very Moment You Need Insight. Again We will Use The Term "Allow" Then Allow, It To Accrue.

Know Beautiful One, Now You Can Allow Yourself a Review and Have a Realization, That When You are In The Middle of Your Work You Will Feel The Holy Spirit Knowledge Being Released Through Your Mind and Through Your Feelings. Remember To Allow Yourself To Feel It While You're In Your Sacred Work.

Thank You Very Much Malachi, I Will Do That.
