

14. A Process To See With Your Inner Eyes and Hear With Your Inner Ears

Beloved Malachi, Katherine Bell, Ph.D.D. and "Marrianna"

I Want To Uncover My Blind Eyes, Can You Teach Me To See With My Inner Eyes and Hear With My Inner Ears, So I Can Know the Truth and Light From Within. I Want To Be One With the Inner Galaxies.

- **Process**

Beautiful One, Again We Say Take a Few Deep Breaths and Close Your Eyes. Let Your Beautiful Third Eye Be a Guide For a Moment. As You Let Your Brow Chakra, Get Your Attention, Feel as Though You See an Eye Turned Inward To You. Then You're Going To Take That Inner Eye, To Do What Is Called an Inner Search, and You Let That Eye Go Up To the Heart Center. So What You Can See Is Through Your Heart. What You Can See Is the Heart of Sacredness. As You Feel the Connection From the Brow To the Heart, Allow Yourself To Sense That Your Ears are Listening Inward Rather Than Outward. For a Moment Were Going To Become Silent. So that You Might Sense What Your Hearing, As You Make the Journey From the Brow Chakra To the Heart. Then Make a Journey With Your Inner Eye, From the Heart To the Second Chakra. To the Throne of the Soul and With It You are Carrying Your Inner Hearing. So Again We Become Silent That You Might Do That!

(silence).....

Then I'm Going To Be Able To Hear What Spirit Has To Say, Is That Correct, Is That What Is Happening To Me?

Indeed, Here Beautiful One, You Said I Want To Hear the Other Galaxies, So What Does That Truly Mean? It Means You Want To Hear the Vibrations of This Grand Universe, Galaxies Upon Galaxies, Beings Upon Beings, Fields Upon Fields All With the Opportunity of Great Knowledge.

This is a Method of Which You May Utilize, To Tap Into the Planetary Vibrations Within You of Your Own Galaxy. That Will Lead You To Higher Vibrations That You Might Call Other Galaxies, Doorways.

I Have A Question, I Been Studying About the 9th Dimension and All the Different Stars That are Associated With It and So I Could Ask the Pleiadian's To Step Forth and Share With Me About the Dimension They are on and Share Their Wisdom With Me?

Indeed You May Do This!

I Have a Whole Lot To Learn. Did I Happen To Go Through a New Portal Way or Something Because My interest Have Totally Changed. Was There a New Portal Way That Opened In January of 2016?

Indeed, As Many of You Entered Into the New Year, You Were Embraced By the Light Vibrations That is Again Encouraging the Evolution and the Desire To Research, That You Are Doing Beautiful One. Your Desire To Know More, To Feel More, To Be More, To Listen More. This Is Why Your Open To New Thoughts and New Experiences.

Thank You So Much Malachi!
